VacayHome Connect Partners with Booking.com

VacayHome Connect partners with Booking.com to provide property managers access to millions of vacation rental shoppers. VacayHome Connect expands its vacation property distribution solution to help professional property managers capture additional revenue from the millions of consumers shopping for accommodations on Booking.com.

VacayHome Connect has partnered with Booking.com to expand VacayHome Connect's family of high impact vacation rental distribution partners. Booking.com, is the global leader in connecting travelers with the widest choice of incredible places to stay, no matter budget or destination. Each day, more than 1,000,000 room nights are reserved worldwide on Booking.com by travelers planning stays beyond just traditional hotels, such as apartments, villas, boats, tree-houses and more, everywhere from major cities to remote countryside, mountains and coasts.

VacayHome Connect is leveraging its many years of experience and innovation in online travel and vacation rental business to ensure vacation rental properties achieve the best possible placement to capture more online bookings. "This partnership will provide significant benefit to professional property managers by combining VacayHome Connect's full-service solution with Booking.com's first-in-class product," said Sunil Aluvila, VacayHome Connect CEO. "Our focus on optimizing property listings for booking success combined with Booking.com's high volume consumer traffic represents a tremendous opportunity for professional property managers to grow new business."

"We are impressed with VacayHome Connect's attention to detail and focus on booking results. Booking.com and VacayHome Connect share a commitment to listing quality that ensures consumers have the best shopping and booking experience on our sites," said Christa Levesque, Booking Home Senior Manager at Booking.com.
